

2. Tender presented after due time will not be considered.
3. Each tender should be superscribed "Tender for carting Sulphate of Alumina and to be opened on the 15th December 1929."
4. The consignment is to be cleared immediately after it is passed by the Goods Department.
5. The bags should be delivered in the same condition as they were received by the Goods Department.
6. The final acceptance of the tender will rest with the Executive Engineer, Water Supply Division, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.
7. The name of the successful competitor whose tender has been accepted, will be posted on the "Notice Board" in the usual course.
8. The quantities are not guaranteed.
9. The contractor will be held responsible if any demurrage is to be paid owing to delay in carting the bags in time.

B. R. GARUDACHAR,
Executive Engineer.

KOLAR DIVISION.

Notice.

The attention of the public is invited to the notification published in the *Mysore Gazette*, Part VI, pages 1402 and 1404, calling for tenders for Restoring Yeldur Santhammanakere Register No. 53—274, Srinivaspur Taluk.

The latest date for tender is 21st December 1929.

N. LAKSHMINARASIMHAIA,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification, dated 2nd December 1929.

Attention of the public is drawn to notification calling for tenders for maintenance of Amurthur Doddakere Register No. 64—156, Kuniga Taluk published in Part VI of page 1414 of *Mysore Gazette*, dated 5th December 1929.

The tenders will be received by the Executive Engineer, Tumkur Division till 2 P.M. of 28th December 1929. Earnest money to accompany the tender is Rs. 230.

V. V. PATANKAR,
Executive Engineer.

MYSORE DIVISION.

Dated 2nd December 1929.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 3 P.M. on 23rd December 1929, for Restoring Mellahalli tank Registered No. 114 of Nagamangala Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1932.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore Division, between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 Rupees (two hundred and fifty only) in cash or Government Promissory Notes as earnest money and be superscribed "Tender for Restoring Mellahalli Tank Registered No. 114 of Nagamangala Taluk," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders, will be returned.

9. Rates should be quoted for each item of work.
